AMERICAN CHEMICAL SOCIETY, et al,
Plaintiffs,

vs.

COMMAX TECHNOLOGIES, INC., et al.,
Defendants,

and related Cross Action.

No. C06-4414 JW HRL

STIPULATION AND
[PROPOSED] ORDER MODIFYING
DATES

JUDGE: The Honorable James Ware

COURTROOM: 8, Fourth Floor

1 By its order entered July 2, 2008, the Court ordered the parties to file a Joint Statement
 2 of Undisputed Facts, and to include therewith a separate statement of disputed facts and the
 3 basis for the dispute. The parties have worked diligently in an effort to agree upon facts
 4 where possible, resulting in the parties stipulating to over 80 facts. However, the preparation
 5 of the statement of undisputed facts and separate statement of disputed facts has proved more
 6 difficult and time-consuming than the parties had contemplated when the matter was
 7 discussed at the Case Management Conference held on June 30, 2008, and even more
 8 challenging than the parties anticipated during the early stages of preparation and negotiation
 9 of the statement.

10 The parties have this day filed a Joint Statement of Undisputed Facts setting forth the
 11 facts on which both parties have agreed, but the parties have been unable, despite diligent
 12 effort, to complete their separate statement of disputed facts, along with the basis for the
 13 dispute. To enable them to prepare such statement, the parties seek to modify the due date for
 14 submission of such statement by one week, so that it shall be due on August 6, 2008.

15 Accordingly, the parties hereby stipulate and jointly request that the date by their
 16 Statement of Disputed Facts, including the basis for the dispute and references to the factual
 17 record, be filed by August 6, 2008.

18 Respectfully submitted,

19 KOTIN, CRABTREE & STRONG, LLP
